**SI**

10/100/1000 PoE bt switch

Features

- Complies with IEEE802.3af/at/bt Standard, port 1-8 support 90W max, PoE total Budget 720W

- Intelligent Power Management and Distribution

- Auto detect power device

- Supports up to 100m in distance for Power and Data

- Eco-Friendly, reduces power consumption when devices are not in use

- Full Gigabit Performance – Maintains fast, reliable network speeds even under heavy network traffic

- Plug & Play Setup – Installs in minutes and works seamlessly with standard PoE and PoE+ devices

- Designed specifically for PoE motor integration, it features built-in ESD protection and ultra-quiet fans for reliable, low-noise operation

PoE Ports

Up to 8 ports of 90W each
Up to 12 ports of 60W each
Up to 24 ports of 30W each

PoE Power Budget

720W
