

Features

- These Niño Woven Wood motorized shades come equipped with a USB-C rechargeable lithium battery.
- Allows blackout or partial light filtering to control natural light and temperature, helping reduce energy use.
- Available in natural materials like bamboo, rattan, and solid wood, each offering unique textures and a rustic appearance. Material options support a range of light control and privacy needs.
- Adjustable end limits with the included remote control.
- Lithium battery powered shades up to 2 years between charges*, feature soft start and stop technology for smooth and quiet operation.

***Battery Life dependent on Motor type and battery size**
