NIÑO ZEBRA SHADES

v 1.0 | June 2025

Features

- Niño Zebra motorized shades come equipped with a USB-C rechargeable lithium battery.
- Hardware is available in five color options: Black, White, Warm White, Char Brown and Clear Anodized.
- Zebra shades are composed of two layers of fabric with small holes. By rotation, they can switch between full-light - transmission, semi-shading, and full-blockout modes, catering to different lighting needs.
- Adjustable end limits with the included remote control.
- Group control functionality via included RF remote, or smart home platforms make it easy to operate multiple shades simultaneously.
- Lithium battery powered shades up to 2 years between charges*, feature soft start and stop technology for smooth and quiet operation.

***Battery Life dependent on Motor type and battery size**

Colors

Available in 5 colors:

- White
- Black
- Warm White
- Char Brown
- Clear Anodized
